

MyAgent  **ONLINE**

A revolutionary tool available only at hpw.com

Buying a home?

MyAgentOnline allows you to set up a custom Web site that is personalized for your specific home needs.

Much more than a simple saved search, this innovative tool provides a quick, easy and comprehensive view of your favorite homes. Plus, it gives you the ability to create any number of searches to find those homes. In addition you will,

- Receive email alerts on any new properties or status changes through your custom Web site.
- Simplify your search by getting faster updates than through any other real estate Web site
- View more properties and more property details through your custom Web site.
- Request a personal showing on any property with the click of a mouse.

Selling a home?

Within two hours of being entered into MLS, your home is emailed to every MyAgentOnline subscriber with matching criteria.

Want to keep up with your home in the marketplace? Simply enter your home's criteria and you will receive updates on homes coming on the market and changes on homes in your price range.

MyAgentOnline gets your home in front of more potential buyers!
